

Round Mountain High School Jobs for Nevada Graduates (JAG) Initiation & Installation Ceremony

Written by Kindy Cheadle

On October 23, 2024, Jobs for Nevada's Graduates (JAG Nevada) hosted their 9th annual Initiation and Installation Ceremony. This year we had the pleasure of combining our event with Tonopah High School's JAG Program.

The I & I ceremony is an event that marks the beginning of a student's journey with JAG for the current school year. At this ceremony, students are formally inducted into the program. The ceremony featured speeches from our amazing guest speakers & JAG Representatives Kristelann Galarce, JAG Nevada Program Manager, & Mathew Stallworth, JAG Nevada Assistant State Director of Programs. It also featured presentations by all the JAG High School Career Association Officers. Jobs for Nevada's Graduates proudly presents each student with a "Certificate of Membership", recognizing their commitment to their JAG program. I & I has been a huge success in our town due to the support and attendance of our amazing parents. We also are honored to always have Kinross Round Mountain Gold Management attend our event. The ceremony is a celebration of the students' commitment to their education and future achievements.

I would like to send a special thank you out to The Tumbleweed Café who catered the amazing dinner, dessert and drinks for our event, Rachel Ray for consistently collaborating with me and always being available, Mrs. Miller for your ongoing support and guidance through my JAG program, and my Program Manager, Kristel Galarce, for always being available and helping me enhance my program for the best possible outcome.

What is Jobs for Nevada's Graduates (JAG Nevada)?

We are Empowering Nevada Youth, we are a lifeline for students, and we are ensuring students have a bright future.

Jobs for Nevada's Graduates is a beacon of hope for high school students, providing them with the skills and opportunities needed to succeed in the workforce. JAG Nevada is part of the National Jobs for America's Graduates (JAG) network, which has a proven track record of helping students overcome barriers to employment. The program focuses on offering personalized support, ensuring that students not only graduate from high school, but also transition smoothly into meaningful employment and further education.

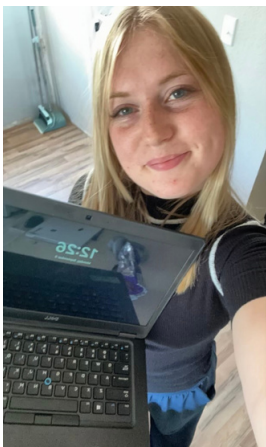

The program's success lies in its comprehensive approach. JAG Nevada provides career counseling, job placement assistance, and life skills training. During high school, students participate in lessons that cover life skills, career development, academic support, soft skills, workplace readiness, & Financial Literacy. Additionally, JAG Nevada partners with local businesses to offer internships and job shadowing opportunities, giving students real-world experience and a foot in the door.

As Nevada continues to grow, programs like JAG are crucial in preparing the next generation of workers. After high school, JAG Nevada Specialists complete monthly phone calls, texts, email or in person meetings for a year to check transition progress and to help and assist in any way possible. JAG Nevada helps with assistance with college enrollment, job placement, resumes, interview preparation support, financial aid and scholarship application guidance. Jobs for Nevada's Graduates will keep empowering students to achieve their dreams and build a bright future for all.

JAG NEVADA HIGHLIGHTS

Silver Summit Health Plan and Katie Grace Foundation provided essential-filled gift baskets to JAG Nevada to welcome our 8th cohort of Tesla MDP Apprentices as they moved into Canyon Flatts.

AT&T Impact provided laptops and back packs to JAG Nevada students throughout the state. Some were distributed to our local students (Class of 2024) that are in the JAG follow up program.

From the Stacks : News from your Library

A Glimpse into our Wonderful Libraries

Smoky Valley Library District consists of two libraries, the main library is the Round Mountain Public Library and is located in Hadley/Round Mountain and houses over 45,000 pieces of materials including books, audio books, DVD's, blue rays, video games and much more.

The Round Mountain Public Library is not only a public library but is also the school library where school age children K-12 grades come to check out books on a weekly basis. At this library we have many services that the public can appreciate. You can make copies, send and receive faxes, and we offer notary services. We can also request and receive inter library loans from other libraries in the state.

We have computers that the public can use, and we now have a study booth that is soundproof so, if you need a quiet spot for studying or making a phone call you can climb in and close the door. You can reserve our conference room for dinner parties, birthday parties, baby showers, meetings etc.

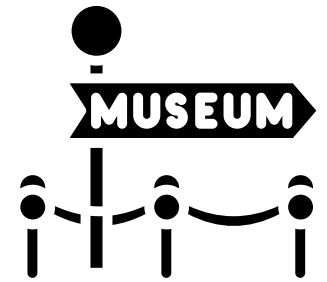

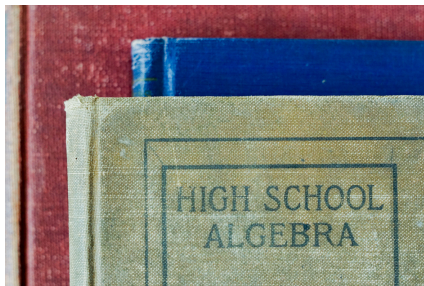

Our children's programs are the heart of our library we have many programs through out the year that kids and parents alike look forward too, story time, STEM, and our preschool programs are very well attended, our most sought after events are our Children's Christmas Party and our Annual Harvest Festival, but our biggest event each year is our Summer Reading Program, where we read to earn prizes and play team building games.

We have an exciting new addition to our library is our sensory room, it is a place where you can come and relax, unwind or even take a nap. This room is geared for individuals that have sensory issues but love the library a need a place that is quiet. If there is ever something you need that we do not have or do not offer let us know, we will do our best to make something happen for you!

Our Historic Manhattan Library

The second library is in the historic town of Manhattan, Nevada. The Manhattan library is a historic building that was once the old schoolhouse, the schoolhouse was built in 1912, and it has almost all the original construction and interior furnishings. This remarkable library also houses a museum that was a dream of a local resident Walt Daniels. The museum has an amazing assortment of school material and local history exhibits. The Manhattan Library closes in the winter months due to high costs of heating the building, but we are open from the first Monday in April to the last Friday in October. Monday and Fridays from 1 PM - 4 PM.

LIBRARY

The Round Mountain Public Library is open Monday - Friday from 8 AM to 5 PM. For more information on the Smoky Valley Library District you can visit our website: www.svld.net or call the library at 775-377-2215 or even email to: info@svld.net

Community News

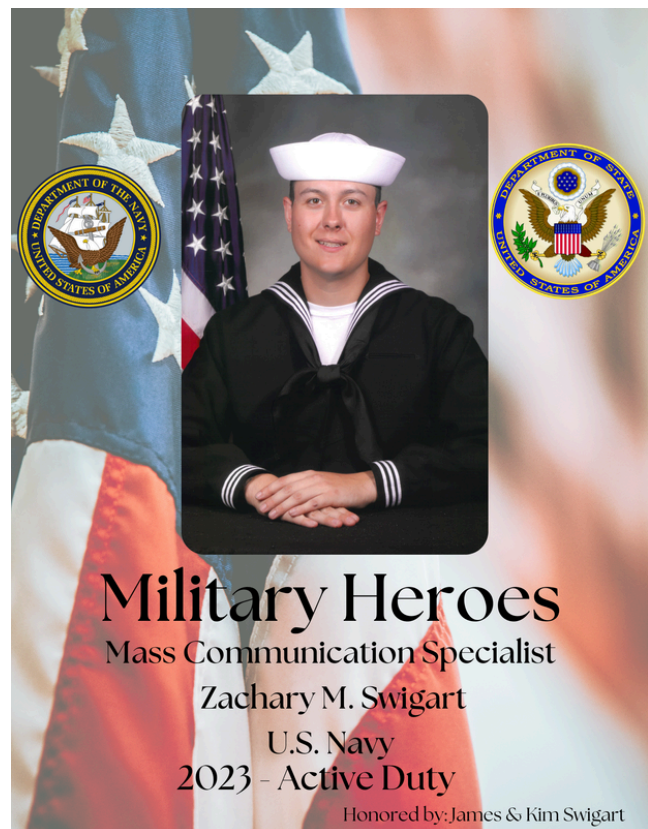

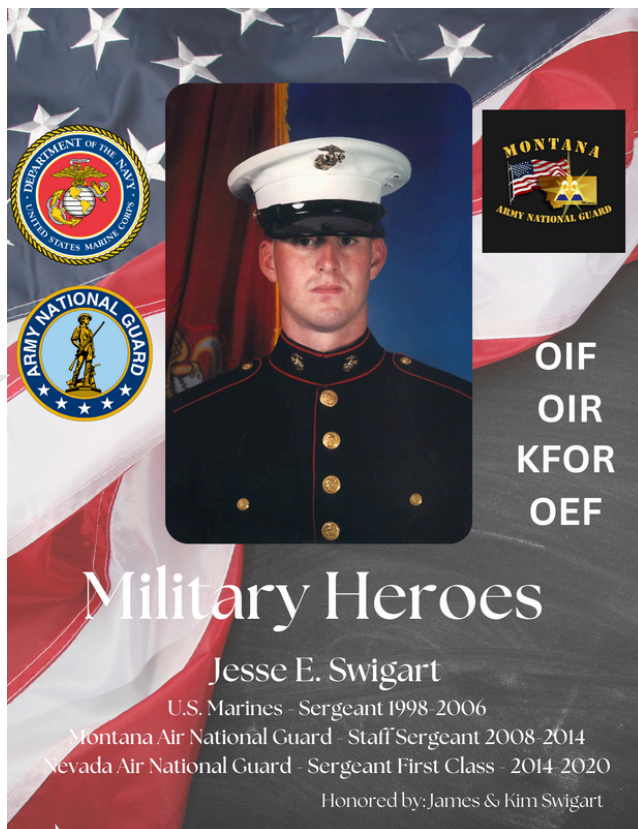

The Town of Round Mountain would like to honor our veterans, past and present. A project is underway to gather information, design and display our veterans. All at no cost for you! These displays will have a special design for each branch: Air Force, Army, Marines, National Guard and Navy. With a picture in the center of the display it will include the veterans' rank, any operations served, and any/all metals acquired.

The Town would like to reach out to everyone and encourage you to submit your veteran(s). This is not limited to veterans; we are also displaying those actively serving. Forms can be picked up at the Town of Round Mountain office or the Smoky Valley Library. Again, this is free for you!

Contact the Town of Round Mountain or the Smoky Valley Library for more information.

Round Mountain Fire Department Hosts Homeschool Group For Fire Safety Field Trip

On November 11, 2024, the Round Mountain Fire Department opened its doors to the local homeschool group for an engaging and educational field trip. The enthusiastic youngsters learned invaluable lessons on fire safety and awareness.

Highlights of the Trip

- Interactive demonstration of "Stop, Drop, and Roll"
- Understanding emergency contact procedures
 - Meeting firefighters in full gear
- Witnessing a patient rescue demonstration
 - Informative and inspiring station tour

The event was an outstanding success, combining fun and learning for the homeschool group!

PRICE DROP

Exciting News : Knights Klub Arcade

The Town of Round Mountain has been hard at work making some wonderful adjustments to our local arcade, creating a fun and warming atmosphere is a priority with new and improved prices! We have also added an exciting new tickets system with many fun prizes! Come on down and check out all the new improvements!!
