Photo History Project

The library is working on a photographic history of Smoky Valley and would like your help! We want to collect pictures and stories of the valley and the people who lived here to add to our vertical file! We want everything from past to present! We will scan them and make them part of our library collection. If you have photos you would like to share, please bring them to the library to be scanned and saved for our collection. Everyone will be able to enjoy your photos and stories for years to come. Some photos may be printed and hung in the library for a display! Photos and stories can also be submitted by email to: andream@svld.net. All original photos and stories will be returned. If you have any questions or ideas, please feel free to contact me @ the library 377-2215 or by email.

Success has come quickly to Holmes, Marple & Poe Investigations. The New York City agency led by three detectives—Brendan Holmes, “the brain,” Margaret Marple, “the eyes,” and Auguste Poe, the “muscle”—with famous names and mysterious pasts is one major case away from cementing its professional reputation.

But as a series of child abductions tests the Plis’ legendary skills, the cerebral Holmes’s absence leaves a gaping hole in the agency roster.

Only by closing ranks and solving the mystery within can they recover all that’s been lost.

When classmates Hallie, Angelo, Gustav and Naira are forced to come to school on a Saturday, they think things can’t get much worse. But they’re wrong. Things are about to get seriously scary.

What has dragged their teacher underground? Why do the creepy caretakers keep humming the tune to Itsy Bitsy Spider? And what horrors lurk in the shadows, getting stronger and meaner every minute . . .? Cut off from help and in danger each time they touch the ground, the gang’s only hope is to work together. But it’s no coincidence that they’re all there on detention. Someone has been watching and plotting and is out for revenge . . .

SEE IF YOU CAN SOLVE THESE FUN MAD GAB PUZZLES! NEW WEEK = NEW PUZZLE!!

Patriots Program

The Town of Round Mountain would like to honor our veterans, past and present. A project is underway to gather information, design and display our veterans. All at no cost for you! These displays will have a special design for each branch: Air Force, Army, Marines, National Guard and Navy. With a picture in the center of the display it will include the veterans' rank, any operations served, and any/all metals acquired. Even if you do not see yourself as a hero, we do and would love to honor you or your loved ones in our Patriots Program. The Town would like to reach out to everyone and encourage you to submit your veteran(s). This is not limited to veterans; we are also displaying those actively serving. Forms can be picked up at the Town of Round Mountain office or the Smoky Valley Library.

Again, this is free for you!

Contact the Town of Round Mountain or the Smoky Valley Library for more information.
