# From the Stacks : News from your Library

The Smoky Valley Library District has some of the best resources to utilize. Our study pod is fully sound proof and creates a quiet area to be able to study, take an online class or even use for an important phone call with no interruptions. Another incredible resource we offer to our patrons is our sensory room, sensory rooms can help children with sensory input, regulate emotions, and promote focus with a quiet relaxing atmosphere. We have so many resources available for our community from these special features to numerous children's programs, memory kits and databases. We are forever changing and growing, please stop by to see us and ask us about our wonderful resources and programs.

# Blast from the Past:

## Nevada History

Gold was discovered at Round Mountain in 1905, but it was not until the following year that more substantial discoveries aroused interest in the area. High-grade gold ore was discovered on a hill known as Round Mountain. By mid-year, the population was close to 400. A number of major mining companies became active in the area and soon the town was given the name of Round Mountain. By 1907, there were daily stages running from Round Mountain to Tonopah. The town contained many wood structures containing mercantiles, saloons, brokerage agencies, a school and a library. In 1906, the first two mining companies to begin operations were the Round Mountain Mining Company and the Fairview Round Mountain Mines Company. The value of the ore produced by the Round Mountain Company during the first ten years (1906 to 1916) was a little over \$3 million. By the beginning of 1909 there were six mills operating in the district. Businesses included hotels, general stores, banks, restaurants, lodging houses, a school, a library, and a hospital. By 1939 the town's population was still only 234. The value of total production through 1940 was \$7.8 million. New surface operations on the side of Round Mountain began in 1970 and continue to this day.

## Patriots Program

The Town of Round Mountain would like to honor our veterans, past and present. A project is underway to gather information, design and display our veterans. All at no cost for you!

These displays will have a special design for each branch: Air Force, Army, Marines, National Guard and Navy. With a picture in the center of the display it will include the veterans' rank, any operations served, and any/all metals acquired. Even if you do not see yourself as a hero, we do and would love to honor you or your loved ones in our Patriots Program.

The Town would like to reach out to everyone and encourage you to submit your veteran(s). This is not limited to veterans; we are also displaying those actively serving. Forms can be picked up and returned at the Round Mountain Public Library.

Again, this is free for you!

Contact the Round Mountain Public Library for more information.
