

## Kinross Nevada Engages Washoe County High School Students in Mining Education

Kinross Nevada recently visited four Washoe County high schools to educate students about modern mining and the wide range of career opportunities available within the industry. The outreach effort reached more than 300 students across McQueen High School, Reed High School, Spanish Springs High School, and Damonte Ranch High School.

During the visits, Kinross representatives introduced students to the fundamentals of mining, including how minerals are responsibly extracted, the role mining plays in everyday life, and how safety, technology, and environmental stewardship are integrated into today's operations. Students also learned about the many career pathways within the mining industry, ranging from entry-level positions to professional roles.

Kinross Nevada was joined by Senator Skip Daly and Assemblywoman Jill Dickman, who attended the school visits to listen to the presentations and learn more about the mining industry and its role in Nevada’s workforce and economy. Their presence underscored the importance of education and awareness around one of the state’s foundational industries.

The outreach effort also included Becky Hall from the Nevada Mining Association, who partnered with Kinross Nevada to help educate students about mining in Nevada and the broader opportunities the industry provides across the state.

Kinross Nevada’s high school outreach reflects the company’s ongoing commitment to education, workforce development, and community engagement. By collaborating with local schools, industry partners, and elected officials, Kinross aims to help students better understand mining and consider it as a viable and rewarding career path.

# Local Kids Shine at Elks Lodge Hoop Shoot

Two young athletes from our community are making waves in the Elks Lodge Hoop Shoot Competition. Nora Damon, a 12-year-old girl, showcased her skills in the girls 12-13 year old group, securing first place at the local level and second place at the district level. Although she didn't advance further, Nora's achievement is a testament to her hard work and dedication. We are very proud of all she accomplished!

Jerrett Johnson, competing in the 8-9 year old boy group, is riding high on his successes. He won first place at both the local and district levels and is now set to represent his region at the state level in Hawthorne, Nevada this weekend (Saturday February 7, 2026). We're rooting for you, Jerrett!

The Elks Lodge Hoop Shoot is a nationwide free throw contest that promotes healthy competition, sportsmanship, and character development among kids aged 8-13. The contest is divided into six divisions: boys and girls in the 8-9, 10-11, and 12-13 age groups.

### Contest Rules and Format

Each contestant shoots 25 free throws, split into two rounds: 10 shots in the first round and 15 in the second. Contestants must stay behind the foul line until the ball touches the hoop, backboard, or net. The contestant with the most successful throws wins.

### History of the Hoop Shoot

The Elks Lodge Hoop Shoot was founded in 1946 by Frank Hise, a Past Grand Exalted Ruler of the Benevolent and Protective Order of the Elks, to provide a fun and competitive outlet for kids. Today, it's one of the largest youth athletic contests in the country, with over 3 million participants annually.

1st Place at the local level

1st Place at the district level

2nd Place at the district level

## DESTRUCTION OF OLD SPECIAL EDUCATION FILES

Nye County School District (NCSD) in compliance with the Federal guidance 34CFR 300.624 maintains records for a minimum of six years beyond the exit of a Special Education Student. The personally identifiable information collected, maintained and used by Special Education Support Services for students, who have exited the district in 2019, will be destroyed by April 1, 2026. If a former student or parent with a release of information or legal guardianship forms would like to access these records prior to their destruction, please contact Special Education Support Services at (775) 751-4015 by March 15, 2026.
