Congratulations to the Kindergarten and 1st Grade Classes for being named the 2025–2026 Round Mountain Public Library Class of the Year!

Throughout the school year, these students showed what it means to be outstanding library users. They worked hard to return their library books each week in great condition, treated the library and others with kindness and respect, and actively participated in the AR program. *In Loving Memory of  
Roper White*

Roper's memorial will be held on Tuesday, May 12, 2026, in Malta, Idaho. The exact time is still to be determined, and we will share those details as soon as they are confirmed.

A Celebration of Life will be held at the Round Mountain High School Gym at 3:00 p.m. on Sunday, May 17, 2026. We will be gathering for a potluck meal. If you would like to bring something, you are welcome to, but please know it is not required.

We would truly love for everyone to join us, share stories, and celebrate Roper's life together.

We are so grateful for the outpouring of love and support during this very difficult time. It means more to us than words can express. Thank you all from the bottom of our hearts.

## Round Mountain Public Library Supports Mental Health Awareness Month!

As part of Mental Health Awareness Month, the Round Mountain Public Library is proud to stand with our community in promoting kindness, understanding, and support for mental health. Throughout the month, the library has been highlighting the importance of mental wellness through displays, resources, and community awareness efforts designed to remind everyone that they are not alone.

Mental health affects people of all ages, and the library believes that creating a welcoming and supportive environment is an important part of serving the community. Whether someone needs a quiet place to relax, access to helpful information, or simply a friendly smile, the library strives to be a safe and inclusive space for everyone.

Visitors are encouraged to explore books and resources focused on mental health, stress management, mindfulness, self-care, grief support, and emotional wellness. The library also recognizes the importance of reducing the stigma surrounding mental health conversations and hopes to encourage open dialogue and compassion within the community.

The sensory room also remains available for anyone with sensory needs, providing a peaceful space for comfort and regulation.

The Round Mountain Public Library is honored to support Mental Health Awareness Month and encourages community members to take time to care for themselves and check in on others. Sometimes the smallest acts of kindness can make the biggest difference.

The Round Mountain Public Library is excited to announce a special quilt raffle fundraiser to support library programs and activities!

This year's featured raffle item is the beautiful "Pups at Play" quilt, generously donated by Gwenn Snow. The handcrafted quilt features adorable dog-themed fabrics and colorful designs that are sure to delight animal lovers and quilt enthusiasts alike.

Raffle tickets are just \$1 each, giving everyone a chance to win this one-of-a-kind creation while supporting a great cause. The winning ticket will be drawn on June 26, 2026.

All proceeds from the raffle will directly benefit library programs, helping provide fun and educational opportunities for patrons of all ages throughout the community. From children's activities and summer reading programs to special events and community gatherings, every ticket purchased helps support the library's mission.

The Round Mountain Public Library would like to extend a heartfelt thank you to Gwenn Snow for her generosity and continued support of the library and its programs.

Be sure to stop by the library to purchase your raffle tickets for a chance to take home this wonderful quilt while helping support your local library!

# Message from our Town Manager

Dear Hadley Residents,

In the interest of pedestrian safety, please refrain from parking vehicles, trailers, or other equipment on the streets.

As we do not have sidewalks in Hadley, our primary concern is the safety of children walking or cycling through the neighborhood. Keeping the roads clear ensures better visibility and safer passage for everyone.

Thank you for your cooperation.

Best regards,

Jim Swigart
